

## **COACH AND OFFICIALS COORDINATOR**

The Coach & Officials Coordinator is responsible for the continued provision of adequate coaching and officiating resource to meet the Association's needs.

The Coordinator must ensure:

- a) The Association is aware of, and implements, practices and programming in accordance with standards developed by the national governing body;
- b) Events sanctioned by or supported by the Association have access to an adequate supply of coaches and officials;
- c) The Sport Administrator's operational plan, to include the availability of regular training and certification opportunities for coaches and officials or those wishing to become coaches and officials, has adequate Board-level oversight.
